Badges of ranks are worn at the top of the right shoulder. The top 15cm of the shoulder, called the rank patch, has a simple plain background. Background colours are as follows:

- Black – Fuss-Auszug
- Yellow – Hors-Auszug
- Green – Aid-Auszug
- Tan – Art-Auszug
- ??? - Speziallerie-Auszug

All rank is worn in this location and no other badges may be worn there. Rank badges for non-officers consist of a piece of two-ply satin rope, generally coloured red and white and about 8cm long. This badge is worn vertically on the rank patch. Officers wear knots in red, silver and gold in the same location.
