Information originally provided in *The Schwarzstadt Heresy* (PER 6-07)

1: Grand Temple of the Shrine Alliance (The Nine Shrines) – The Grand Temple is the location of the ancient and revered nine original shrines of the Shrine Alliance. All are small humble affairs that show both Ur-Flan heritage and great age.

2: Keph's Hoof – This hoof shaped area is revered by all Rosrijders and followers of Allitur as a place where Allitur's horse Keph stepped on the Feronwold. It is blessed with a lush carpet of grass throughout the year.

3: Stairs of Supplication – there are a thousand steps that lead up to the Temple of the Grand Alliance and the Nine Shrines. It is said that anyone who takes the time and effort to kneel and pray on each step is blessed by the gods of the Old Kerk – and has very sore knees as well!

4: HundPlatz Markets – an assortment of small shops and workshops surrounding a plaza, the Markets are famous for being the source of rare and wonderful things.

5: Sacraal Rest Inn – a famous location that is a cross between an inn, langhuis (“long house”) and temple. The Sacraal Rest Inn has been run by the Vifferhuaf (“Split-Hoof”) Sept of the Vuurward clan since the time of the Ur-Flannae, and was the place where the Shrine Alliance of the Old Kerk was formed over 2000 years ago.
